Number of staff	3 Diving Staff
Affiliated to (if any)	PADI
GPS	20° 12'69.57"S & 55°23'55.04" E
<b>Diving General:</b>	
<b>Best Diving Season:</b> + Relevant climate info (Temp., visibility, wind etc...)	All year round. Summer time (November-April) water temperature range between 26-29 degrees Celcius. May-October "winter" water temperature varies between 23 to 26 degrees.
<b>Type of diving:</b> Shore/ boat, max depth, current, Landscape (reef, sand, plateau etc...), distance	All the dives are conducted with a speed-boat. It takes from 5 minutes to 20 minutes to reach most of the dive sites. We conduct double tank dives in the morning for the experienced divers and single dive in the afternoon for the newly certified and/or beginners. The depth varies between 8 meters to 40 meters.
<b>Highlights</b> Name + type of dive + description of main sea life	<p><b>"Cathedral":</b> Only 15 minutes from our Diving Center, Cathedral is the most famous dive site in the Flic-en-Flac area. A beautiful cathedral made by huge rocks. The dive begins at 10 meters and the entry of the cathedral starts at 24 meters and the exit is at 27 meters.</p> <p><b>"Rempart Serpent":</b> A snake shaped reef in the middle of a white sandy bottom. The dive is at 23 meters and you can see the full range of Indian ocean's tropical fishes. Including ribbon moray-eel, stonefish, scorpionfish etc. It takes 5 minutes only from Albion to reach this place.</p> <p><b>"Passe St Jacques":</b> A beautiful drift dive for experienced divers only. Situated at the south of Mauritius, this dive site is a tremendous drift dive from the lagoon towards the blue ocean. Bull sharks are to be seen there along with eagle rays and plenty of pelagic. Due to its remote location, we plan to go there on request only, depending often of the sea condition.</p>
<b>Marine Life</b> main species: corals, sponges, invertebrate, fish and mammal. Particularities	Soft corals, hard coral, sea cucumber, surgeonfish, parrots fish, wrasse, turtle, moray eels , stingrays, barracudas, electric ray,, batfish, fusiliers, groupers, angelfish, butterflyfish, triggerfish, clownfish, filefish, mullets, dart fish, blennies, scorpion fish, lionfish, stonefish, pipefish, soldier fish, hawk fish, puffer fish, sea-fans, sea anemones, echinoderms, starfish, dolphins , nudibranches, box fish,
