Diving General:	
Best Diving Season:	All year around , best visibility Sep – Nov, Manta Season Jan – April, Water temp. 28-29 C all year around Air temp average 28 – 32 C,
Type of diving:	<p>House Reef – dive one of the best maybe the best in the Maldives</p> <p>Boat Dives – morning / afternoon</p> <p>Outer Reef - from 4 to 25 / 30 meter – there is almost always a shallower top reef (plateau) before it slopes down gently to sandy sea bed in about 30+ meter</p> <p>Thilas - from 10 to 30 meters and greater depth – Bid Fish and Soft Corals, Currents, also stronger are a fact</p> <p>The dive sites are from 5 to 65 min away (boattrips)</p>
Highlights:	<p>Boduhithi Thila : Clean Station for Manta Rays</p> <p>FingerPoint/Woshimas /Helengeli: Thilas – Haimagnet the throughout the entire year, colorful softcorals deep overhangs and canyons.</p> <p>Madigaa : the easy but spectacular divesite even for beginners. We have seen just everything there from Whale shark to Hammerheads and Swordfish, as well as big schools of eagle rays almost every time. A must!!</p>
